P2 COLLECTION

Introducing P2 collection, a new concept in decoration for residential and commercial areas. Coordinated rectified wall and floor tiles from Spain, with impressive relieves and a variety of finishes and textures for interior and exterior use.
A full decorative solution for all your tiling needs.

Finishes for all areas

A soft natural finish for interior use, with option of a gloss and matt polished.
NeoGrip, a new special anti slip finish for exterior use – combine the same line for interior and exterior use and notice no visual difference in between finishes.

Large Size Rectified Tiles

Wall tiles in 12x36 and a new 16x48 format. All lines with impressive relieves for feature wall decoration and matching field tiles in same colors.

Coordinated Decorative Concept

All lines include a full package with coordinated walls and floors and a selection of decorative options. A comprehensive tile package to cover all your tile spec needs.

Designed and Produced in Spain

With the highest quality standards in production and design, a sustainable manufacturing process with care for the environment. P2 Collection includes the trendiest looks in the market with unique finishes and textures for a one of kind product – a perfect solution for all your specification needs.

Stock in US

Most items in stock in the US for immediate delivery, others to be supplied by special order from Spain. The list of items in stock might change from the version you are currently reading. Please check with customer service for latest version. Stock quantities might be limited on some items. Please verify availability with customer service before ordering.
